

# JOIN THE 2010 FLORIDA DIABETES CAMP TEAM!

**ARE YOU WILLING TO ACCEPT THE CHALLENGE OF HELPING KIDS?**

**ARE YOU READY TO LEARN MORE ABOUT YOURSELF?**

**ARE YOU WILLING TO PUT THE NEEDS OF OTHERS BEFORE YOUR OWN?**

**ARE YOU READY TO ENDURE HARD WORK, STRESS, SWEAT, RESPONSIBILITY, SLEEPLESS NIGHTS, LAUGHTER, FUN, CAMARADERIE, AND BEING A ROLE MODEL - ALL FOR A CHILD'S SMILE AND A HUG?**

***IF SO, WE INVITE YOU TO APPLY FOR A VOLUNTEER POSITION WITH THE FLORIDA DIABETES CAMP***

Each year over 700 youngsters participate in our programs. Our goal is to help youngsters with diabetes learn to handle their disease by sharing their needs with others who have diabetes and with caring adults. Camp is staffed by volunteer physicians, nurses, nutritionists, teachers and administrators. Counselors include health science students and health professionals as well as those who work or study in other fields. Our camp medical director is happy to write letters of recommendation for our volunteer staff. Because these letters are based on detailed knowledge of your performance in a challenging situation, the references can carry a great deal of weight with admissions committees and potential employers. One University of Florida Dean wrote: *"The educational opportunities you and your staff have provided at camp will prove invaluable to their careers...the experience has served to broaden their view of childhood disease."*
